

SWITCH TO **Telikom 4G** NOW

Coming Soon to other Centres

Telikom is rolling out its brand new 3G/4G LTE mobile network across PNG to replace the current CDMA Network. As part of the rollout plan, Telikom is offering Free 3G/4G SIM's and generously discounted GSM mobile devices* and SIM packages to its citifon customers to transition to the new 3G/4G LTE network.

The CDMA Network will be switched off at each location a month after the new 3G/4G LTE mobile service is switched on. Hence, Telikom customers using Citifon services are encouraged to switch over now to the new 3G/4G LTE for a better and superior experience.

*applies to selected models and subject to availability.

OLD Citifon (CDMA) Number Range	New 3G/4G LTE Number Range
77XX XXXX	78XX XXXX

Customers are also advised that as per NICTA regulations SIM registration is now mandatory. Therefore you are required to come with current valid identification documents when lodging application for a new SIM. The identification document can be that of:

- National Identification Card (NID)
- Driver's License
- Employment/student ID
- Passport
